Maintenance of registers of Fixed Assets As per Rule 71(1) of Odisha Municipal (Accounts) Rules-2012, the NAC/Municipality shall maintain the following fixed asset registers comprising of land, buildings and all other infrastructure, immovable and movable properties which belong to the NAC/Municipality:

- a. Register of Land (Form ACNT-32)
- b. Register of Immovable Properties (Form ACNT 30)
- c. Register of Movable Properties (Form ACNT 31)

Automation Of Local Fund Audit

AUDIT REPORT 30-06-2020

d. Register of Public Lighting System (Form ACNT – 36)

Scrutiny of records revealed that the Municipality has not maintained the asset registers as prescribed above. Due to non-maintenance of the asset register, the true and fair picture of the assets created under various schemes could not be ensured in the periodical reporting. There was, thus, no consolidated database on assets created. It is further suggested that 1. These registers shall be maintained category wise in respect of lands, buildings, etc.

- 2. The infrastructure assets like roads, bridges, culverts, drains, shall be recorded in such a manner as to identify location, measurements, etc.
- 3. The registers shall be maintained fund wise
- 4. Any new asset that is capitalized, purchased or obtained by way of grant or gift shall be recorded in the register on the date the asset is capitalized, purchased or obtained.
- 5. An Asset Replacement Register shall also be maintained in Form ACNT-35 which shall record the history of the asset in use in the Municipality. This shall capture the usage and depreciation details of the asset. Implementation of Double Entry Accrual Based Accounting System (DEBAS) as per Odisha Municipal Accounts Rules-2012 It may be stated that adoption of modern accrual based, double entry system of accounting was first mandatory for ULB level reform set by the Govt. of India. The State Govt. in H&UD Deptt. order no.-24970/HUD,dated-07.08.2013 decided to introduce double entry system of accrual based accounting in ULBs across the state during 2007. The Odisha Municipal (Accounts) Rules, 2012 was notified in July 2012 requiring all Municipalities to maintain their Books of Account on accrual basis under the double entry system of book keeping and data based formats. Govt. in H & UD Department has instructed all the ULBs for implementation of Double Entry Accrual Based Accounting System (DEABAS) as per Odisha Municipal Accounts Rules 2012 in ULBs w.e.f. 01.10.2013. But the same has not yet been practically implemented in this Municipality.

The financial statements of a municipality show how it spends its money, where its revenue comes from, its assets and the state of those assets, how much it owes creditors, how much is owed to the municipality, and whether it is expected that the money owed will be received. It also provides crucial information on how the budget was adhered to, the unauthorized, irregular, fruitless and wasteful expenditure incurred as well as the overall financial position of the municipality —whether its operations are financially sustainable. The financial statements are used by the municipal council to call the Executive officer to account and to make decisions on the financial management of the municipality. It is also used by creditors, banks and rating agencies to determine the level of risk in extending debt to a municipality and by the public to know how well the municipality is using the rates and taxes they pay to provide services. But it was revealed that the overall quality of the financial statements regress, the financial statements provided for auditing were even worse than in previous years with material misstatements. This is a poor reflection on the financial management and capabilities of the municipality. Audit had to identify the misstatements for the financial statement of the municipality to make it credible for public use.

Budget -: Under Section-104 OM Rule 1953 at least two months before the close of year, the Chairperson shall present before the Municipality a complete account of its probable receipts and expenditure for the following financial year together with the actual of the current year and under Section-107 OM Rules 1953, after expiry of 14 days(since presentation before the Municipality) the Municipality shall sanction the estimate and submit forthwith to the State Government. Further Section-109 provides for approval of the budget estimate by the State Government. But on scrutiny of the Budget Estimate the following are noticed. The annual budget estimate for 2017-18 was approved by the Council vide Resolution No 02/15.4.17 and has been submitted to ADM, Cuttack vide Municipality Letter No.1504 dtd.27.04.2017 in duplicate for recommendation and onward transmission to Govt. in H & U.D., Odisha for approval. The H & UD Deptt, Bhubaneswar finally approved the budget vide order no 19392/24.8.17 which was communicated to This Municipality.

Preparation of unrealistic Budget Estimate:- As per Rule-56 of Odisha Budget Manual, the estimation of fixed revenue should be based upon the actual demand including arrear and the probabilities of their realization during the year. Odisha Budget Manual read with Section-108(a) of the Odisha Municipal Act, 1950 stipulates that the estimate of income and expenditure should be reasonable and proper. Further as per Rule-56 of Odisha Budget Manual, the estimation of fixed revenue should be based upon the actual demand including arrear and the probabilities of their realization during the year. Odisha Budget Manual read with Section-108(a) of the Odisha Municipal Act, 1950 stipulates that the estimate of income and expenditure should be reasonable and proper. Further, the said rule of the Odisha Budget Manual stipulates that the Budget estimates of revenue and receipts should be based on the existing rates of taxes, duties and fees, etc., and no increase or reduction in such rates and no proposals for abandonment of revenue which have not been sanctioned by Government should be proposed in the estimates. Further Rule 78 of the Odisha Municipal Rules, 1953 states that in preparing the budget, provision shall be made for a minimum closing balance. The

Asset & Liability: From the table of assets and liability it is seen that the assets of this Municipality is excess over a tune of Rs .6806871.00 which speaks that the financial position of this Municipality is sound. However the local authority is advised to increase its own revenue through collection of outstanding taxes by taking suitable step. If the financial status of this Municipality would increase it can provide better service to the urban people.

Deviations from OMAR-2012-: As per rule- 5(4) of OMAR-2012 the EO should examine the entries & the closing balance in the cash book & affix his signature in token of his having done so. The balance in cash book should be certified by EO. But while verifying the cash book, maintained by cashier no such rule is found to be followed.

As per rule-6(5) of OMAR-2012 the bank book should be closed daily, the totals for the end of the day struck & the closing balance should be worked out. But while verifying the bank book it is observed that such rule is not followed. As per rule-10(2) of OMAR-2012 there should be receipt, payment, contra & journal for different types of transaction in the format of ACNT-4,5,6 & 7. But while observing the vouchers it is observed that no such voucher is prepared. Only payment voucher is prepared by the ULB but it is not as per ACNT-5. As per rule-10(3) of OMAR-2012, all the vouchers shall be prepared by the accountant & it should be kept by the accountant. But while checking the vouchers it is observed that some vouchers are not kept by accountant. Those vouchers are kept with cashier although cheque is issued by the accountant. As per rule-10(4)& 14 of OMAR-2012 voucher shall be numbered for each type & shall be distinctly coded for each fund. But while observing the vouchers it is found that different vouchers are not maintained for different types of fund. Rather payment is made from a single bank account irrespective of different types of fund & voucher no is serially made without considering any fund. As per rule-6(6)& 97(3)(a) of OMAR-2012 the bank reconciliation statement should be prepared for each bank account at the end of every month. While observing the BRS it is found that BRS is prepared in e-municipality software only. The print out of BRS is not taken & nobody has certified it. As per rule-4(3) of OMAR-2012 Wherever the Books of Accounts are maintained manually, the Books of Accounts, Registers, Receipts, Bill books and other Accounting Records and Registers shall be affixed with the Seal of the Municipality and each of the pages of the aforesaid records shall be serially numbered. The number of pages of each Book or Register shall be certified in writing on the last page, after actual verification, by the EO or any other person duly authorized by him. While observing the manual records it is observed that this rule is not followed neither by cashier nor Accountant. As per rule-23(1) of OMAR-2012 if a cheque is dishonored, then the party has to make payment in cash on demand only along with the amount of bank charges. But while checking the cheque collection register it is observed that when cheque is bounced the same cheque or a new cheque is again deposited without collection of any charges. As per rule-23(1) of OMAR-2012 if a cheque is dishonored, the dishonored cheque shall be retained by the accountant & it shall not be handed to anyone till the amount is remitted by the party. But while checking it came to our notice that the bounced cheques are handed to respective section rather keeping by the accountant. Also no step is taken by EO for collection of fees for bounced cheques. As per rule-36(4) of OMAR-2012, all payment to employees shall be made through direct transfer to the bank account of employees. But while scrutinizing the vouchers we observed that, some officers are paid their salary through cheque. Some DLR/CLR employees are paid their salary through cash. The reimbursements of telephone bill to officers are paid through cash. As per rule-97(3)(e) of OMAR-2012 the details of closing stock for recording the consumption of stores at the end of each month in Form-ST. While making the audit it is observed that no such stock statement is given by store keeper. As per rule-88 of OMAR-2012 deposits remaining unclaimed for three consecutive financial years after refunds have fallen due shall be lapsed. But while performing the audit it is observed that no lapse deposits are maintained rather they are been paid. Parking of Municipal Fund in ineligible banks- During the year under audit it was found that 18 no of Bank Accounts as per the details furnished below have been operated in different schemes in ineligible Banks disobeying Finance Deptt Letter no-15984/ F dt 30.05.2016. The EO is therefore suggested to close the said accounts in the above ineligible Banks as per the instruction of Finance Deptt & compliance reported.

General Irregularities - During the year under audit it would be noticed that all the cash books have been maintained in a very haphazard manner . No OB and CB of all the cash books have been worked out by the Accountant. No reconciliation has been worked out and furnished in all the cash books. Besides above, details of closing balance have not been furnished at the end of each month during the year under audit. Despite of objections raised in last and previous audit reports no effective steps have yet been taken by the local authority in this regard. Hence, the EO is suggested to take effective steps to maintain all the cash books, accounts & registers as per the OMAR -2012 and compliance reported .

As required under Rule 128 of O.M. Rules, 1953, the cash book shall be balanced at the close of every month and signed by the Executive Officer in token of the correctness of every entry made therein. The balance brought out shall be stated both in words and figures and shall be agreed with the balance shown in the pass book of the Municipality. As per Letter No.15847/F., dtd. 27-04-13 of Finance Department, the DDO shall maintain a Register for reconciliation of receipts and disbursements of scheme funds. But no such reconciliation has been done either at the end of each month or end of the financial year. G.O. No.690/F., XIV-AUD-1/2003,dtd.21-01-2009: speaks that the officers who are statutorily assigned with the task of reconciliation of discrepancies in bank accounts and analyzing closing balance, should perform their statutory responsibilities without leaving the Local Body accounts in a mess giving scope for diversion of Govt. Grants, misutilisation and misappropriation of public funds etc. Also warned the erring officers in charge of accounts need be brought to book. As per letter No.15847/F, dtd. 27-04-13 of Finance Department, the DDO shall maintain a register of reconciliation of receipts and disbursements of scheme funds. During the course of audit, it was revealed that bank reconciliation statement was not prepared and register of reconciliation was not maintained by the Accountant. The Executive Officer has not exercised any supervision over the duty entrusted to the Accountant for reconciliation of bank pass book with Cash Book. Due to non-reconciliation of bank pass book with Cash Book, the exact difference between the bank pass book and Cash Book could not be ascertained. Further, non-reconciliation of bank pass book with Cash Book may lead to mis-utilization, misappropriation and embezzlement of funds. In response to audit objection statement the local authority has stated steps will be taken for reconciliation. The local authority is once again suggested to prepare and produce the bank reconciliation statement as on 31-03-18 to next audit for verification. It would be seen wrt the Para-4 & Para -5 that there lies a difference of Rs.211806.50 between the balance as per cash book and pass book balance as on 31.03.18 .As per Letter No.15847/F.dtd.27.4.13 of Finance Department, the DDO shall maintain a Register for reconciliation of receipts and disbursements of scheme funds. But no such register of reconciliation was found to have been maintained by the local authority. Nor any reconciliation statement was provided to audit. Hence the discrepancy to the tune of Rs .211806.50 as noted above is held under objection till the reconciliation between the balance as per cash book and the balance as per actual bank position along with the Cash Book position is prepared and produced to Audit. PARA 5.2 Non-maintenance of Flexi Accounts for parking of funds of centrally sponsored schemes: As per letter no.-35425/F, dtd.12.10.2012, all Departments were asked to instruct the implementing agencies which are authorized to keep the Central share & State share or only Central share of the centrally sponsored plan schemes in bank accounts, to keep them in flexi accounts so that higher interest accruals from the scheme funds can be ploughed back to expand the coverage of the scheme without affecting fund flow for the scheme. It is advised to ULB authorities to maintain Flexi account to earn the higher amount of interest. Although audit has advised this suggestion in our previous two reports no step is taken by the finance officer in this regard. PARA 5.3 Regularisation of Dormant Postal Account: Postal account bearing no.458320 has not been operated since 5.10.94. So steps need be taken to regularise the account before close of audit and compliance reported. PARA 5.4 Non maintenance of One Scheme One Account: As per guideline, "Only one account shall be maintained per one scheme funds by the District Authority and implementing Agencies in the State". So steps need be taken to maintain one account by closing the rest account and compliance reported to audit. Details of such cases are given below. A) SBM I) ICICI A/C NO.488 II) AXIS A/C NO.163 B) MUNICIPAL FUND I) ALLAHABAD A/C NO.26518 II) AXIS BANK A/C NO.12948 C) HDFC A/C NO.20 D) HDFC A/C NO.262 E) INDIAN BANK.3753 F) UCO . 9940 G) PDS CASH BOOK

PARA 5.1: Operation of joint account instead of separate account: During checking of Accountant Cash book with reference to bank pass books it was seen that in one account funds of more than one scheme is deposited and expenditure have been made during the year under audit. Reason needs clarification and regularise the same by opening separate account for separate scheme. Details are given below.

- i) NFBS & OAP = ICICI A/C NO.375 OWN SOURCE
- ii) HSY ,MUNICIPAL ELECTION & CENSUS =CANADA BANK A/C NO
- iii) MJBY & OWN FUND=ICICI BANK A/C NO.3241
- iv) PUBLIC TOILET.ABC & RD=CANADA BANK A/C NO.969
- v) NRB , WATER BODIES &CREATIVE CAPITAL ASSETS=HDFC A/C NO. 770

PARA 5.2: Transaction not made through P/L Account: As per Rule 85(1) of the OM Rules, 1953 all moneys received on account of the Municipality should be remitted intact to the Treasury immediately. But during the year under audit it is seen that funds collected through receipt books are directly deposited in bank account other than the PL account deviating provision. The local authority is suggested to deposit all money received on behalf of Municipality in P.L. account in accordance with the above Municipal Rules.

Grants like MLALAD, MPLAD, SJSRY,SBM,NOAP,MBPY,NULM etc received through other than treasury are not entered in this Grant Register. Para: 10.1:- Non Submission of U.C. in due time:-

As per Rule 170, 171 and 173 of O.G.F.R. Vol-I grants received should be utilized within the same financial year in which it was received and UCs should be submitted by 30th June of the subsequent year to the funding agency as well as Principal Accountant General(A&E) Odisha. The F.D. Letter No.29539/dtd. 20-10-14 gives emphasis upon submission of UCs to proper quarter by 30th June of the succeeding year. As timely submission of UC is relative to receipt of subsequent Grants from GOI and cut is imposed on the grant amount accordingly on its non-submission/delay in submission. Hence timely non-submission and huge pendency of submission of utilization certificate is a detrimental factor. Non-submission of U.C. to a tune of Rs.206415680.99 as on 31-03-18 defeats the very purpose of Govt. policy & planning and speaks about the improper management of man power in Municipality level during 2017-18 and lack of supervision of local authority. Therefore the Local authority is suggested to look into the matter personally to clear up all old pending utilization certificates as soon as possible observing all formalities as required under Rule-173 of OGFR Volume-I.

PARA: 12 LOSS OF STOCK & STORE

12.1 - PHH Rice issued from Central Stock,But not taken to ward Stock Register-

On checking of the central Stock issue Register wrt Ward Stock register ,lt is found that 11.65 Qntls of PHH Rice was issued to W.No-17/18 on 19.03.2019 and received by Lochan Kumar Sahu.But the said quantity of PHH Rice was not taken to the ward Stock Register till 31.03.2019. It may kindly be clarified failing which responsibility may be fixed as per market Value of the said item.

In Compliance to the audit objection Memo vide POM 37/2.11.2019. Lochan Kumar sahoo stated that on the date 19.3.2019 a stock of Q 11.65 of PHH Rice received from the Main Stock Issue Register .But by mistake it was not posted in my deposit Register .Thats for Audit objected the said quantity. The quantity of Q 11.65 PHH Rice is now taken as OB on 1.4.2019, that also shown the said quantity as balance as on 26.3.2019 with physically. So the objection may please be complied.

But it is fact that till the date of Audit the said quantity of Rice neither included in the Stock Balance nor Shown utilized by means of issue to the beneficiaries. Therefore by stating in compliance that the quantity of Q 11.65 PHH Rice is now taken as OB on 1.4.2019 is nothing but to get away from the Audit objection. The Executive Officer ,Choudwar Municipality may make an enquiry in this regard alongwith conduction of a physical verification of the PDS Stock & Stores and the fact may kindly be furnished to Audit to see the justification of the compliance supplied by Sri Lochan Kumar Sahu.

However as the Rice as stated above is perishable in nature and there is no proof in regards to issue of the said Rice to the Beneficiaries ,this case is treated as a Case of Loss of Stock & Stores ,thereby fixing sole responsibility on Mr Lochan Kumar Sahoo for misutilizing it.

Therefore, the cost of such stock loss i.e Cost of Rice-11.65 qtl @ 3000/- = Rs.34950.00 amounting to Rs.34950.00 as detailed below was suggested for recovery from Mr Lochan Kumar Sahoo.

In response to audit objection no reply was furnished by the EO. Hence, the objection holds goods and therefore EO was suggested to take steps for recovery of Rs.34950.00 from Mr Lochan Kumar Sahoo to make good the loss of PDS stock.

12.2 - Loss of PDS commodities due to excess deducted in Stock Register against the actual saling

On checking of the ward wise sale Register with reference to the deposit register with reference to Cash Book ,lt was seen that actual sale of PDS commodities as per deposited amount in the Cash Book.But in the ward Stock Register excess quantity has been deducted instead of actual sold amount. The details are furnished below-

In respect of 0.51 Qntls AAY Rice - Sri Pabitra Kumar Mohapatra stated that Cash deposited on 8.12.2018. So Rs 51.00 adjusted on 25.3.2019 .So it may please be dropped.

In respect of 1.34 Qntls of PHH Rice - Sri Pabitra Kumar Mohapatra stated that Cash deposited on 8.12.2018. So Rs 134.00 adjusted on 26.3.2019 .So it may please be dropped.

According to the above reply, necessary verification has been made and found correct and hence the above objections are hereby dropped.

In respect of Loss of 1.50 Qntls of Rice no compliance was furnished, thereby confirming the audit point of observation. Hence It is treated as Loss of Municipal Fund. Therefore, the cost of such stock loss, i.e Cost of Rice-1.50 qtl @ 3000/- amounting to Rs.4500.00 is suggested for recovery from Mr Durga Charan Mohanty, NMR, in charge PDS of Ward No-12.

In respect of Loss of 11.40 Qntls of Wheat no satisfactory compliance was furnished ,thereby confirming the audit point of observation. Hence It is treated as Loss of Municipal Fund. Therefore, the cost of such stock loss, i.e Cost of Rice-11.40 qtl @ 2500/- amounting to Rs.28500.00 is suggested for recovery from Mr Lochan Kumar sahoo, NMR ,in charge PDS of Ward No-17,18

12.3 - AAY Rice wrong Calculation- POM 39/2.11.2019

It was verified from the central Stock Register that actually no such stock of 7.70 Qntl was issued to ward No-7 (Laxmidhar Nayak), but by mistake it was just mentioned by Mr Nayak in his ward Stock Register, which was later on not included in the balance position of the ward Stock. Hence the objection is hereby settled on it's merit with due justification. But Laxmidhar Nayak is hereby advised to be careful while updating the Ward Stock Register and make entries as per the actual quantity of stock received from the Central Stock Register.

12.4 - Loss of PHH Rice due to Less balance in Stock Register- POM 40/2.11.2019

On checking of the ward Stock and deposit Register wrt Cash Book ,It was found that in ward No-8, the PHH Rice Opening Balance as on 31.03.2018 wasQ 6.84, which was wrongly carried forward as Q6.05 as on 1.4.2018 leading to less carried balance of Q 0.79 Rice. [NB- Receipt of Rice was 557.09 Qntls during 2018-19. Thus total quantity of PHH Rice comes to 563.93 Qntls. The PHH Rice of 546.63 Qntls were sold from 1.4.2018 to 31.03.2019.] Accordingly the Closing Balance of PHH Rice as on 31.03.2019 is shown as 16.51 Qntls in the said Stock Register instead of 17.30 Qntls as derived in Audit. This has resulted in Loss of Q 0.79 Rice. This was asked to be clarified to Audit.

In Compliance to the audit objection Memo. Manoj Kumar Sahoo stated that the closing balance of PHH Rice as on 31.03.2018 is 6.84 Qntl, but the Carried forward stock balance as on 1.4.2018 was wrongly taken as Q 6.05 instead of Q 6.84. The said Q.0.79 Qntl is remaining balance in my counter No-8. The stock of 0.79 Qntl belongs to Sri Mahadev Prasad jena, Ex Sr assistant. So it may please be verified and complied.

As the left out balance of Q 0.79 Rice was not included in the Main Stock Balance, It can not be accepted that the remaining balance of Q 0.79 Rice is remaining with Manoj Kumar Sahoo. Hence It is treated as a Case of Loss of Stock & Stores.

Therefore, the cost of such stock loss, i.e Cost of Rice-0.79 Qtl @ 3000/- amounting to Rs.2370.00 is suggested for recovery from Mr Mahadev Prasad Jena, Ex Senoir Assistant, Now Taxa Daroga, Choudwar Municipality.

From the above Demand, Collection and Balance position it is found that the collections of taxes were moving around 6.78 % of the demand amount. From the records it is also revealed that the local authority has failed to take appropriate steps for collection of due taxes as they have neither issued any Demand Notice nor initiated any proceeding for issue of Distress Warrant and Certificate cases against the defaulters. For all these the Council failed to provide civic amenities to its dweller due to shortage of fund. Further the council is advised to take effective steps and to adopt the procedures of rewards and punishment as described under Rule -201(2) of O.M.Rules-1953 in order to enhance the status of collection of taxes. Further, it is to be noted that the last AR No.364502/AR/17-18 the outstanding demand of house rent was 1893905.00 instead of Rs.2112655.00 as per the house rent DCB of BijuPatnaik Market Complex and Old Market Complex as worked in last audit report vide Para No.13.10. Hence, in the current audit report the demand position against the house rent has been rectified accordingly.

13.3 - COLLECTION OF HOLDING TAXES ETC-

As is seen from the statistics given above, the local collection as a percentage of effective demand during the year 2018-19 is 6.78 %, which is very poor in comparison to the effective demand. the local authority is advised to take further step in this regard as there is still scope for improvement. However if one looks at the actual demand that includes the litigated amount the collected amount as a percentage of actual demand gives a poor picture of the municipality. The local authority is advised once again to take constructive step to settle the litigation.

It will be evident that there is difference in the DCB prepared by the Local Authority with reference to that of Audit figure worked out by the previous Audit. The differential amounts are shown against each in the aforementioned table. The Local Authority may reconcile the differences and fact reported to the next Audit for settlement of the discrepancies in future.

Further It is evident from the above table that against the total demand of Rs 3561905.00 a sum of Rs 81960.00 only has been collected during the year 2018-19, leaving a balance of Rs 2741945.00. From the above table it is also revealed that this huge amount of outstanding balance is due to non collection of arrear dues for years together. No efforts seem to have been taken for collection of arrear shop room & other rents. Suitable and sincere steps may be taken for collection of arrear outstanding dues including current demand..

However for non Collection of current year dues of Rs 982710.00 i.e Rs 378960.00 from Old Market Complex and a sum of Rs 603750.00 from Biju Pattanaik Market Complex as per the details furnished above, the following officials are held proportionately responsible.

13.13 - Less collection of license fees of Telecom Tower-

On scrutiny of mobile tower file of different telecom companies it is noticed that no amount has been collected towards renewal fees of mobile towers during the year 2018-19. But the outstanding amount of Rs 160400.00 is yet to be realized from the respective Telecom Companies. No tangible step was found to be taken for realization of the said dues as on 31.03.2019.

It needs to be mentioned here that Govt of Odisha vide it's Gazette of Electronics and Information Technology Deptt. Resolution dated 14th Sept. 2017 has clarified that the Licencee shall deposit one time application Fee and Annual Charges for using areas of Land in Urban Area. The Local Authority is advised to maintain the Telephone Tower File accordingly and the true position of outstanding dues on the Telephone Tower Companies may please be intimated to Audit.

13.14 - Less collection of license fees of u/s 290 of OM Rules 1951-

| | | | С | ollection | | | Balance | | | | | |

On checking of DCB relating to collection of license fees u/s-290 of OM Rules 1951, it was revealed that against the total demand of Rs8392069.00 a sum of Rs.113936.00 was collected during the financial year 2018-19 leaving an outstanding balance of Rs.8278133.00 as on 31.3.2019. However, in the current financial

year 2018-19 a sum of Rs.90000.00 was collected against the current year demand of Rs.449566.00 leaving a balance of Rs.359566.00. Clearly the Municipality sustained loss of Rs.359566.00 due to non collection of license fees. As there is no time barred limit for collection of such license fees all the receivables u/s 290 should have been collected within the financial year. Thus, the EO is suggested to recover Rs.359566.00 from the person responsible to make good the loss of municipal fund. The E.O. stated that licence fees collected under section 290 is a yearly demand collection affairs. A person who has temporary shop will be liable to pay licence fees under section 290 of O.M. Act 1951. Further if the collection is not done in a particular year it is not possible to collect the same demand in the next financial year. Further due to widening of N.H. most of the temporary shops are now not in existence. Therefore on the such unstable position it was not possible to collect the total demand as per the DCB prepared for the purpose. Therefore the objection raised in audit regarding non collection of licence fees for the year 2018-19 may be dropped. In view of the reply of local authority the objection for non collection Rs.3,59,566.00 is dropped. Further the E.O. was suggested to maintain the DCB of trade licence holders and expedite the collection of licence fees at time of issue of trade licence and compliance reported.

13.15 - Loss of revenue due to non allotment of shop room Biju Patnaik Market Complex- OSP-72

On verification of the DCB ledger and the related files from the table given below, it is observed that out of 66 rooms at Biju Patnaik Market complex, 7 shop rooms have not been allotted, so it is a loss to the Municipality. The reason of non allotment of 7 shop rooms could not be ascertained.

| 27 | Not Allotted |
| 36 | Not Allotted |

In response to audit objection the EO stated that the allotment of shop rooms of Biju Patnaik Market Complex is under sub-judice. However, appropriate steps may be taken after the final outcome of the verdict by Hon'ble High Court. In view of the reply of the local authority the objection is now dispensed with till the final outcome of the verdict of the Hon'ble court.

13.16 - Less collection of Rent from 21 nos of shop rooms of Biju Patnaik Market Complex - OSP-72

On verification of the DCB ledger and the related files from the table given below, it is observed that out of 66 rooms at Biju Patnaik Market complex, allottees of 21 shop rooms have paid Rs 195150.00 towards their arrear dues and only Rs 1000.00 towards current dues of shop room rent till 31.03.2019 leaving huge sum of Rs 663780.00 outstanding as on 31.03.2019. The details of outstanding shop room rent dues against the allottees are furnished below.

In response to audit objection, the EO stated that the amount will be recovered from the allottees. However, as there is no provision of time barred limitation for collection of room rent the non collection of current year demand amounting Rs.251000.00 is suggested for recovery. The EO stated that the amount will be recovered on filling of title suit case by the Municipality. Further the matter has been brought to the notice of defaulting allottees for payment of outstanding dues. It may be stressed upon that in view of the widening of NH there is possibility of demolition of houses for which it is necessary to collect the outstanding dues on priority basis. If it is not possible through amicable settlement between the allottees and Municipal authorities then the outstanding dues may be adjusted against the securities held by the Municipality against allotment of shop rooms and compliance reported. However the amount has been suggested for recovery from the persons responsible for non collection of rents till the same collected from the defaulters.

13.17 - Arbitrarily Less and Excess Holding Tax fixed and imposed under different mode of Calulations towards New Assessment of Buildings for the year 2018-19

On checking of the New Assessment file and Case records of the Holding Tax for the year 2018-19. It is seen that in some case records, less and in some other case records excess holding tax has been fixed towards new assessment of Building for the year 2018-19. Again for fixation of the Annual Rental Value of the Land, It was found that the Bench Mark Valuation of the Lands for the year 2015-16 was taken into account for fixation of Holding Tax pertaining to the year 2018-19. It was sought for clarification as to why latest Bench Mark Value of the Lands under Choudwar Municipality for 2018-19 was not called for from the office of the Sub Registrar as noticed from the concerned File. In some Files, the Case records are found to be devoid of the signature /certifications of the JE, Amin and even the EO of the Municipality. This type of arbitrariness (Rate of Building area per Sqmtr differing for different Case Records at the time of Calculation i.e 9.45 Per Sqm,30.00 Per Sqm etc) in fixation of Holding Tax can not be admitted in Audit as these cases are not managed & maintained properly as per existing mode of Calculations. The details of such cases are given below:-

SI. No.01

Ward No.09, Holding No.367, Area of the Plot 5.5 dec. Area of the House 2254 Sqft or say 209.39 Sqmtr., Bench Mark Value of Land per Acre = 75,00,000/- (For 2015-16,as collected from Sub Registrar Office)

Calculation as per Audit

209.39 Sqmtr. x 9.45 (18 Sqmtr) -----= 1979.00

(-) 15% of Maintenance ----- (-) 298.00

1681.00

Land Value = 7500000/100 x 5.5 dec. = 412500/-

Plus 5% of Land Value = 412500 x 5% ----- (+) 20625.00

22306.00

Holding Tax 6% of 22306.00 = 1338.00

Lighting Tax 4% of 22306.00 = 892.00

Latrine Tax 1.5% of 22306.00 = 335.00

Water Tax 2% of 22306.00 = <u>446.00</u>

As per Audit Total = 3011.00

As per Case Record = $\underline{2284.00}$

Difference = Rs 727.00 (Less Per Annum)

SI. No.02

Ward No.17, Holding No.386 Area of the Plot 7 dec., Area of the House 4326 Sqft or 401.88 Sqmtr., Bench Mark Value per Acre = 75,00,000/- (2015-16)

Calculation as per Audit

13.18 - Less Collection of fine applicable for approval of Building Plan for the year 2018-19 POM 88/29.11.2019

On checking of the New Assessment of Building Plan Case Records with reference to connected records for 2018-19, It was revealed that less amount to the tune of Rs 21000.00 was collected towards fine applicable for approval of Building Plan during the year 2018-19.

(A)T otal No. of Holdings =

(B) Total Building Plan approval Fine as calculated in Audit out of the Case Record = Rs.55,000.00

i.e (1)13 Nos @ 2000.00 each for Ground and 1st Floor = Rs 26000.00

(2)29 Nos @1000.00 each for only Ground Floor = Rs 29000.00

(3)2Nos @ 0.00 each for asbestos Housholds =Rs 0.00

Total (44 Holdings) = Rs 55000.00

(C) Collection of Building Plan Fine as per Money Receipt & Cashier Cash Book during 2018-19 = Rs.34,000.00

Non/Less collection = Rs.21,000.00

Hence POM was issued seeking why this will not be treated as Loss of Municipal Fund to the tune of Rs 21000.00 and suggested for recovery.

In Compliance to the audit objection Memo. It was stated nothing. Accordingly It is construed in audit that this amount is misutilized by ex TD, Sri Saroj Kumar Rout. Hence the sum of Rs 21000.00 is treated as Loss to the Municipal Coffer for which Sri Saroj Kumar Rout, Ex TD is held solely responsible.

13.20 - Irregularity in revision & Fixation of Holding Tax of IMFA, Choudwar leading to Huge Loss of Municipal Revenue-

The File No-IX/TAX/45/2014 pertaining to revised fixation of Holding Tax of IMFA was gone through in details .

Re assessment of the Holding Tax of IMFA for the year 2015-16 & onwards was made taking into consideration of the Bench Mark Valuation of the Lands under IMFA area of Choudwar Municipality as Rs 75,00,000.00 Per Acre as follows .

| Holding Tax | 35,01,555.00 |
|-------------|--|
| Latrine Tax | 8,75,389.00 |
| Light Tax | 1400622.00 |
| Water Tax | 2100933.00 |
| Total | Rs 7878499.00 Per Annum with effect from |
| | 2015-16 Financial Year & onwards |

The revised demand of Holding Tax of Rs 7878499.00 per Annum was fixed and communicated to the Vice President,IMFA on 4.1.2016 vide Choudwar Municipality letter No-36/4.1.2016, which has been mentioned and enclosed in the File at Page No-117 and Note Sheet No 26. A demand Notice No-524/24.2.2016 was sent to the Vice President,IMFA to deposit the enhanced Tax for the year 2015-16.(Refer File Page No-118).At File Page No-135, Vide Lt No-5042/4.8.2016 a demand letter was issued to the Vice President,IMFA to deposit Tax amounting Rs 1,57,56,998.00(i.e @7878499.00 Per Annum x 2Years for 2015-16 & 2016-17.(At File Page No-135)

But IMFA deposited only Rs 410871.00 for the FY 2015-16 vide Ch. No- 742648 as per old rate of Tax fixed since 2004.(File Page No-120)

Again IMFA deposited only Rs 410871.00 for the FY 2016-17 vide Ch. No- 785025 as per old rate of Tax fixed since 2004.

Again IMFA deposited only Rs 410871.00 for the FY 2017-18 vide Ch. No- 000164 as per old rate of Tax fixed & finalized since 2004.(File Page No-161 & 162)

It was further verified that at File Page No-164, The then Executive Officer, Sri Pranakrushna Jena arbitrarily revised the Tax amount of IMFA to a Rs 5771907.00 per annum basing upon inadmissible IPR Rate without any valid reason or justification, by taking into account the Bench Mark Valuation of the Lands of IMFA as Rs 6000000.00 per Hectre. (Refer at File Page No-163 & 164). This revision was found to be not processed through the Note Sheet of the concerned File. No council resolution was found to be made effected in this aspect to further revise the Tax amount basing upon IPR Rate as mentioned by the then Executive Officer, Mr Jena. As these lands are purely the own Land of IMFA, it bears no reasoning to revise the ARV as per IPR rate. No such order or resolution to this effect could be made available to Audit justify the revised fixation under IPR Rate.

Further the IMFA Authorities vide Lt No- IMFA/GA/18/78 Dt 26.04.2018, presented the status of 9 Nos of Holdings having 109 Quarters to have been demolished. Accordingly a further reduction of the demand of Holding amount of IMFA was effected to a sum of Rs 5270569.00.At File Page 180-182 the following holdings of the IMFA were reported to be demolished.

| SI No | Holding No | Quarter Nos | Building Area in Sq.Mtr |
|-------|------------|--------------|-------------------------|
| 1 | 192 | 2 Nos | 2546.56 |
| 2 | 193 | 4 | 884.01 |
| 3 | 200 | 5 | 241.37 |
| 4 | 202 | 3 | 646.19 |
| 5 | 205 | 1 | 743.40 |
| 6 | 207 | 1 | 385.22 |
| 7 | 242 | 20 | 1162.2 |
| 8 | 244 | 1 | 500.94 |
| 9 | 248 | 72 | 5932.20 |
| Total | 9 Holdings | 109 Quarters | 13042.09Sq.Mtr |

Only field inspection was found to be made in respect of verification of the genuineness of the demolition Quarters of the IMFA. But , If the demolition case was taken up at the will of the Executive Officer of the Municipality, basing upon the grievance of the IMFA Authorities, then Audit feels it with due justification that a status report on new construction of Quarters and latest status of extension of the Company could have been prepared/incorporated to enhance the scope of possible Revenue Loss of the Municipality. But this aspect has no where been attended to ,which will be evident from the concerned File.

At File page 115, total land area of IMFA was shown to be Acre 184.532. Here area of Holding No-250 was shown as Acre 60.00. But at File page 180, total land area of IMFA was reduced and shown to be Acre 162.814. Here area of Holding No-250 was shown as Acre 36.00. No details of such reduction in the Land area is mentioned any where in the File.

Basing upon this ,as per IPR Rate with Bench Mark Valuation of Rs @ 6000000.00 Per Acre ,Annual Rental Value(ARV) of the IMFA Holding was fixed by the then EO.

Most importantly the Council was kept in dark about the re-fixation of the Holding Tax under IPR Rate thereby reducing the Demand of IMFA from Rs 7878499.00 per Annum to Rs 5771907.00 per Annum, as will be evident from the note sheet of the File, which is fully silent on the score.

The fact of prayer of IMFA to reduce the demand in respect of demolition of Quarters Case was put up before the Council deliberately to legalize the reduction of Holding Tax only. But no where the Council was apprised about the reduction of Tax from Rs 7878499.00 per Annum to Rs 5771907.00 per Annum basing upon the unjustified IPR rate as silently prepared solely by the then Executive Officer, Mr Pranakrushna Jena, now retired from Govt. service under superannuation.

Again Council vide it's resolution No -05 of Council Session -51/28.4.2018 passed/approved the reduction of the Holding Tax of IMFA in respect of demolition of Quarters by the IMFA with effect from the Financial Year 2018-19 only as the matter was put up before the Council during the financial Year 2018-19.

As per IPR Valuation for the Year 2015-16 to 2018-19 Holding Tax comes to =@ 5771907.00x4 Years=Rs 23087628.00

In the latest development Municipality issued the letter vide Lt.No-3205/Dated 15.11.2019 to the Vice President to deposit of 50 % of the demand money i.e Rs 11543814.00 as per IPR Valuation of Rs 5771907.00 Per Year (For year 2015-16,2016-17,2017-18,2018-19 comes to Rs 23087628.00). The DGM-HR & Administration IMFA was found to have deposited a sum of Rs 10311201.00 vide Ch.No 606480 dated 18.11.2019 towards 50% of Holding Tax demanded and Calculated @ Rs 5771907.00 vide Municipality Letter No-2943/23.07.2018, corrigendum Lt No-3205/15.11.2019, Order Dated 6.11.2019 passed by the Ld. Collector ,Cuttack in Municipal appeal No-99/2016 for the financial years 2015-16,2016-17,2017-18 & 2018-19 by deducting the earlier Holding Tax deposit of Rs 1232613.00 (@410871.00 per annum as per Old rate)

That means the Municipality has irregularly accepted the reduction of Holding Tax from Rs 7878499.00 per Annum to Rs 5771907.00 per Annum.

Hence under the facts stated above It may please be clarified to Audit as to why the irregular reduction of the Demand of Tax to the tune of Rs 7193755.00 (
Actual Demand @Rs 7878499.00 per Annum x4 years i.e Rs 30281383.00- Reduced Demand @Rs 5771907.00 per Annum x4 years i.e Rs 23087628.00=Rs
7193755.00) from IMFA since 2015-16 to 2018-19 will not be treated as Loss of Municipal Fund leading to fixation of responsibility on the involved Officials.

No compliance was furnished by the Local Authority in this regard. However this is treated as a case of Putting Municipal Coffer into huge Loss by the then Executive Officer Sri Pranakrushna Jena for which he is solely held responsible.

13.21 - Non Collection of Annual Lease of Mundamal Nuapokhari for the Year 2018-19-

On scrutiny of the Mundamal New Pokhari Lease File and previous Audit report for the year 2017-18. It is seen that the Annual Lease fee was collected of Rs 4287.00 for the year 2017-18. But in 2018-19 no resolution was found to be made to lease the Pond nor any revised lease was fixed up by enhancing the value of lease by @ 10% for the year 2018-19 than the last year lease amount of 2017-18 i.e last year collected lease amount of Rs 4287.00 from the pond. As a result the Municipality has sustained loss of Rs 4716.00 (4287.00 + 429.00 i.e 10% of Last year) during 2018-19.

The reason of non auction could not be clarified till the end of Audit.

For this Loss ex TD ,Sri Saroj Kumar Rout and Ex EO, Sri Pranakrushna Jena are equally held responsible.

13.22 - Non Deposit of Fees for Cleaning Charges of ARC premises by the Municipality

As per agreement of Municipality with the ARC Authorities, the ARC Authority need to deposit a sum @ 99769.00 Per Month. Accordingly vide Lt No-3305/16.8.2018 of E.O,Choudwar Municipality, a demand notice was served as follows-

Vide Lt No-4747/20.10.2018 & Lt No-3119/2.11.2019 the EO, Choudwar Mplty has issued letter to ARC Authorities to deposit the balance of Rs 433566.00 instead of Rs 763662.00 which was the demand as on Sept.2018.

Hence It was asked to be clarified as to why less demand letter was issued to the ARC Authorities and as to what latest steps have been taken in this regard for realization of the outstanding dues pending on the ARC. But no compliance is furnished by the Local authority. However a sum of Rs 1362276.00 is kept under objection till it's realization.

The M.R Book having Receipt No from 70801 to 70900 could not be made available to Audit as it is reported to be stolen /missed from Saroj Rout,Ex TD. But from cross examination of the DCB of Market Complex for 2018-19 and manual Data sheet supplied by the Ex TD etc with reference to the Cashier's Cash Book and Accountant's Cash Book for 2018-19, It was revealed that an amount to the tune of Rs 29950.00 as details furnished below was less deposited in the Cashier's Cash Book.

As per Cashier's Cash Book the following amounts were found to be deposited by Saroj Rout, Ex TD towards shop room rents of Market Complex-

| Date of deposit in Cashier's Cash Book | Amount |

PARA: 14 AUDIT OF EXPENDITURE

14.1 - Excess draft amount shown in Cash Book towards purchase of PDS Commodities.

On verification of the PDS Cash Book wrt correspondence File it is revealed that the purchase of PDS commoditiess for the month of March/April 2019 vide Voucher No-38/Dated 25.02.2019 and cheque No-040313, an amount of Rs 78084.00.But in Cash Book draft amount is shown as Rs 78406.00 instead of Rs 78084.00.Hence excess expenditure of Rs 322.00(78404.00-78084.00) can not be admitted in Audit which needs recovery.

In compliance to the POM 35/2.11.2019, the Local authority complied that the excess amount of Rs 322.00 has been recovered & deposited in Cashiers Cash Book vide MR No-77255/Dated 30.12.2019. Hence the objection is settled and dropped.

14.2 - Non realization of cost of Empty Rice & Wheat Gunny Bags under PDS

On checking of the ward wise Sale Register & deposit register wrt Cash Book ,It was seen that a total of Rs 15857.00Qntl of PDS commodities were sold in different Wards for the year 2018-19. But the cost of empty gunny Bags of Rs 317140.00 has not been accounted for in the Municipal Fund as on 31.03.2019. The details of gunny Bags are furnished below.

| Particulars of the Item | Sale of Rice in Qntls |
|-------------------------|--|
| PHH Rice | 7109 Qntls |
| AAY Rice | 1614 Qntls |
| Wheat | 6265 Qntls |
| State Rice | 869 Qntls |
| Total | 15857 Qntls |
| | i.e 15857 x2 =31714 Bags @10.00 Per Bag = Rs 317140.00 |

In Compliance to the POM 36/2.11.2019 raised on the score the Local Authority complied that the cost of empty Gunny Bags have been deposited in the month of August 2019 in Financial Year 2019-20 after being sold to the highest quoted bidder i.e Tarini Traders ,Cuttack as per the rate fixed on the quantity of the Gunny Bags suchas 1st Quality,2nd Quality and 3rd Quality .Similarly the Polythene Bags were also categorized on three qualities i.e 1st,2nd,3rd .It was sold after the financial year 2018-19.As the cost of the Gunny Bags were deposited in the year 2019-20 year ,the above para may kindly be dropped.

It may be a fact as stated above. But the current Audit could not confirm the genuineness of the fact stated above. No documental evidence could also be made available to Audit to ensure as to whether the amount deposited towards the cost of Gunny Bags of the Year 2018-19 was true. Another point of objection is raised as to why so much delay was made to dispose off the Gunny Bags. Again the categorization of the Gunny Bags from 1st Category to 3rd Category bears

no justification at all. All these things points out the negligence of the dealing Assistants to deal the matter within a specific time frame.

Under the circumstances the compliance of the Ex sales Center In charge can not be accepted as genuine to settle the objection raised on the score. Hence the objection stands for recovery. For this irregularity the following officials are considered equally responsible.

As per FD circular issued in respect of allotment and recovery of licence fees of govt. quarters a retired govt employee can retain govt quarter upto 4 months @ flat license fee and beyond that upto 2 months @ two times the flat license fee and after that the occupation of quarters is treated as unauthorised and warrants recovery of house rent at market price i.e 10 times the flat license fees. In Compliance to the audit objection Memo. It was stated that steps will be taken by giving reminder letter for recovery as per Office Order No-39/N arrear dues Payment File.

14.4 - Excess payment of Salary - POM 111/2.12.2019

On checking of the pay acquaintance roll and service book along with the personal file of Sri Jhulendra Kumar Nayak, TC it was revealed that a sum of Rs.123654.00 was paid in excess to Sri Nayak towards salary paid to him during 2018-19 as per the interim order of the Hon'ble High Court dt 07.09.2012 and its subsequent extension till 28.01.2016 received by this municipality vide memo No.3305(2), dt 25.1.16 of the High Court of Odisha. In above context, it is to be mentioned that the Govt in H&UD Dept, Odisha directed to the E.O Choudwar Municipality to revoke the regularisation of service of Sri Nayak vide L.No.21777/HUD,dt.3.8.12 on the ground that before regularisation of service no approval was obtained from Govt in H&UD Deptt and concurrence from the FD. Accordingly, EO revoked the service regularisation order of Sri Nayak vide O.O.No.1823/7.8.12. After this Sri Nayak filed a writ petition vide WP(C) No.15784/12 before the Hon'ble High Court challenging the order of both the govt and revoke order of EO.

In view of the non-existence of both the impugned orders dt.3.8.12 of Govt. in H&UD deptt & dt 7.8.12 of E.O, Choudwar Municipality and as per the interim order of Hon'ble High Court the salary of Sri Nayak, TC should be drawn as on 07.9.2012 in the following scale of pay.

Pay - 6680.00 GP- 1650.00 DA - 5998 (@72% of pay+GP) HRA- 417.00 = Total Rs 14745.00

But in contravention of above interim Hon'ble HC order, Sri Nayak, TC was paid at the following rate after sanction of increment till 01.06.2016

Pay - 8060 PM + GP- 1900

& DA- 13844 @ (139% from 03/18 to 4/18)

14143 @ (142% from 5/18 to 10/18)

14741@ (148% from 11/18 to 2/19)

Arrear DA from 1/18 to 4/18 ;Rs 1196.00, Arrear DA from 7/18 to 10/18;Rs 2392.00 & HRA -498

Hence the following differential amount needs recovery

Gross Salary due - 176940.00, Gross salary drawn- 300594.00, Excess Payment salary- 123654.00

This aspect has been pointed out since last Audits. Hence clarification was sought for seeking why no tangible steps are being taken in this regard till date. Any latest development on the matter to be clarified to Audit.

In response to audit objection memo no reply was furnished by the EO. Hence the objection holds good and steps may therefore be taken to recover Rs.123654.00 from Sri Jhulendra Kumar Nayak, TC and compliance reported.

In Compliance to the audit objection Memo. A copy of the memo No 3579/Dated 20.12.2019 addressed to the The Sub Divisional Officer (Elect.), CESU, Choudwar, Cuttack pertaining to excess payment of Rs 566798.00, as detailed above was submitted to the Audit. But just writing a letter to the CESU can not settle the objection. Before making any payment the section is to judiciously study the genuineness of the payment. But here this aspect has been completely violated. Hence for the time being till the objected amount is not adjusted/refunded the following officials are equally held responsible treating this excess payment as Loss to the Municipal coffer for which the following officials are considered responsible.

14.6 - Justification of appointment of Lineman grade I &II and Electrical helpers through outsourcing- POM 114/2.12.2019

Verification of file No.IV.Estt.49/17, regarding engagement of man power through service provider agency Kalinga Warriors, it was revealed that a total number of 39 nos of employees have been engaged by the Municipality in different post through the agency w.e.f 01.09.2017. Out of the above total number of employees 8 nos of employees have been posted as Electrician Gr-1, Gr-2, and Electrical helpers. In the above context it is to be mentioned that the new installation including day to day repair and maintenance of street lights in the Municipality area has been handed over to EESL on outsourcing basis as per the agreement executed between the EO, Choudwar Municipality and EESL company on dated 03.08.2017. Thus in view of outsourcing of Electrical Repair and Maintenance work, there was no justification in appointment of Electrical line man and helpers through the Kalinga Warrior Man Power Service Provider Cuttack. Therefore, the expenditure out of Municipal fund bears no accountability on such unnecessary appointments. The details of expenditure towards payment of remuneration to above 8 nos of appointees incurred after the execution of the agreement are furnished below.

Clarification was sought for as to how it was complied to the same & similar Para raised vide Para 14-6 of last e DAR that they have been disengaged w.e.f 30.11.2018.

The E.O. stated that the real repair and maintenance work started after the execution of the agreement on 29.12.2018. However, no evidence was produced to audit regarding signing of agreement on 29.12.2018. Hence till production of the agreement dtd.29.12.2018 the amount spent on the score to the tune of Rs 625142.00 is kept under objection.

14.7 - Irregularity noticed in payment to the Ori-Soft Techno Ware P Ltd towards Website Development - POM 132/10.12.2019

On verification of the following payments to the OriSoft Techno Ware (P) Ltd towards Website Development at Choudwar Municipality, Cuttack, it was found that payments are being made without ensuring the quality of services actually delivered by the Agency.

| Voucher No/date | Amount | Particulars |
|-----------------|----------|-------------------------------------|
| 112/21.4.2018 | 49560.00 | Website Design & Developping |
| 1349/29.11.18 | 21240.00 | Renewal Maintenance Charges(Yearly) |
| Total | 70800.00 | |

On going through the comaparing Statement It was found that OriSoft Technoware (P)Ltd was the L1 of Rs 42000.00 Plus 18% GST of Rs 7560.00 i.e Total of Rs 49560.00. Here no mention was found in regards to yearly maintenance Charges.

But the Agency had committed to fufill the following responsibilities.i.e-

| 1 | Domain Name Registration |
|---|--|
| 2 | Hosting Space 1GB |
| 3 | Database 1GB |
| 4 | Designing & Development |
| 5 | 1Year Free Maintenance |
| 6 | 100% Payment upon the completion of the Task after making Site Live |
| 7 | Training Will be Provided by the OriSoft Agency to the Staff on how to use the System. |

But in the note Sheet of the File It was no where found to the effect that whether the Site was made Live or any training Programme was provided by the OriSoft Agency to the Staff of the Concerned user group of Municipality Employees on how to use the System. It could not be clear as to from which date the system was made effective for use by the user groups of Municipal Staff.No certification of any technically competent official of the Municipality i.e Subhadra Nayak,MIS is vailable in respect of succesfull implementation of the Website Development at Choudwar Municipality,Cuttack.

Further clarification sought for regarding how & why annual maintenance charges @ 18000.00 Plus 18% GST is being regularly paid which was not included at the time of calling of Quotation Call Notice vide Lt No-4569/26.12.2017 or preparation of Comparing Statement.

In Compliance to the audit objection Memo. It was stated that the concerned File was not rooted from the Computer Programmer. She was also unknown about the File and the payment matter. The said File never moved through her for any kind of certification till date. Sri Bijaya Kumar Swain, Ex Jr. Asst was the dealing Assistant for that File and now Sri Purna Chandra Pani is dealing it. What she checked today on Internet the said website is functioning.

But what sort of functioning was desired out of this ,what is it's utility and why all the required formalities were not observed before payment of all these dues is some of the questions which needs justified answer. It should always kept in mind whether the Municipality is getting all the service benefits for which huge payments are being made on a recurring basis.

Keeping in view of the aforementioned defects and deficiencies, It could not be clarified to Audit as to why the above payments to the tune of Rs 70800.00 to the Ori Soft Agency will not be treated as inadmissible and irregular payment. However a sum of Rs 70800.00 is kept under objection till detailed clarification over the matter is furnished before next audit.

14.8 - Justification of irregular reduction of Cash Book Balnce of SBM Account as on 1.4.2018- POM 133/18.12.2019

It was revealed that the Opening Balance of SBM Cash Book as on 1.4.2018 is taken as 21353026.00. But as per Last e DAR the Closing balance of SBM

Cash Book as on 31.03.2018 is shown as Rs 24957756.00, which need be carried forward as the Opening Balance as on 1.4.2018. In last Audit the CB of SBM Cash Book as on 31.03.2018 as per Audit is mentioned as Rs 25080969.00 i.e excess by Rs 123213.00 from the Cash Book Balance.

The details of CB as on 31.03.2018(as per last e DAR) in SBM cash Book is as follows-

1)In AXIS Bank 913010034890163 ; Rs 3341718.00

2) In ICICI Bank 101301000488 ;Rs 21739251.00

Total ;Rs 25080969.00

Then It was asked for clarification to Audit as to why the CB of SBM Cash Book as on 31.03.2018 was less carried forward as OB to Dated 1.4.2018. Again the reference of the **Axis** Bank Account No 913010034890163 of Rs 3341718.00 was totally ``deleted from the details of OB of 1.4.2018 as well as CB of Dated 31.03.2019.

The irregular withdrawals pertaining to non SBM transactions as details furnished below can not be admitted in Audit, which may please be clarified early.

| Cheque No/date | Amount | Particulars of Withdrawal |
|----------------|----------|------------------------------------|
| 71061/1.6.2018 | 41983.00 | To Chandan Kumar Das |
| 5319/12.6.2018 | 1500.00 | Paid to Dalijoda |
| 5320/12.6.2018 | 3150.00 | Paid to Suryaprabha Prop. Bikash S |
| Total | 46633.00 | |

In Compliance to the audit objection Memo. It was stated nothing.

Hence a sum of Rs 3341718.00 is kept under objection and a sum of Rs 46633.00 being unauthorizedly withdrawn is suggested for recovery from the E.O and the Accountant in equal share.

On verification of the 5th Pay Arrear Bill of Sri Amar Kishore Mohanty, Retired Peon for the period from January 1996 to December 2005, It was found that the actual net dues (basing upon calculation sheet enclosed to the File), for payment comes to Rs 121472.00 as per details furnished in a separate Statement. But he was paid a total sum of Rs 129474.00 in different Phases as the net dues for payment was mistakenly mentioned as Rs 129474.00 instead of actual of Rs 121472.00 in the manually maintained outstanding Ledger. This has resulted in excess payment of Rs 8002.00 to **Sri Amar Kishore Mohanty**, **Retired Peon**, which can not be admitted in Audit. This may please be clarified to Audit.

Further more It was found that no Budget Provision is specifically made on this head of Account during 2018-19. Under Section 117-A of Odisha Municipal Act 1950, It is categorically imposed restriction against incurring Expenditure not provided in the Budget. "Even provision has been made in that behalf in the Municipal Budget as approved in the Municipal Budget as approved by the State Government no expenditure shall be incurred by the Municipality without prior approval of the Director.

A sum of Rs 160000.00 is found to be provided in Budget 2018-19 for Public Lighting. Under Section 209 of OM Act 1950 under provision for Lighting of Public Roads, the Municipality shall so far as the Funds at it's disposal permit, cause the public roads lighted and for that purpose shall provide such Lamps and works as it thinks necessary.

Hence under the circumstances It was asked to be clarified to audit as to why the aforementioned arbitrary expenses to the tune of Rs 245622.00 under Temporary Lighting will not be treated as in genuine and inadmissible expenses.

In Compliance to the audit objection Memo. It was stated nothing. Hence such expenses are treated as arbitrary and ultimately loss to the Municipal Coffer. Therefore for loss of Rs 245622.00,S.K.Rajuddin,JA, and the then ,E.O-Pranakrushna Jena. are squarely held responsible.

14.14 - Irregularity in Refund of APS to Manju Services & Swarnadevi Agency ,Cuttack - POM 126/4.12.2019

The following payments pertaining to refund of APS to Manju Services & Swarnadevi Agency ,Cuttack during 2018-19 for private cleaning of wards need be referred to.

| Voucher No/Date | Particulars | Amount |
|-----------------|-------------|--------|
| | | |

| 259/2.6.2018(Private Cleaning of wards 1 to3,5,9,13to16) | Paid to Manju Services, Cuttack towards Payment of APS | Rs 1020640.00 |
|--|---|---------------|

| | (-)20% withheld=255160.00 | |
| | Net refunded=1020640.00 | |
| 260/2.6.2018 (Private Cleaning of wards 6,7,8,10,11,12,17,18,19) | Paid to Swarnadevi Agency,Cuttack towards Payment of APS | Rs 987600.00 |

| | (-)20% withheld=246900.00 | |
| | Net refunded=987600.00 | |
| | Total | Rs 2008240.00 |

But It will evident from the General Session No-52/30.5.2018, Proposal No-1 at 5(A) that Private agency Swarnadevi Agency , Cuttack, Patchl & Manju Services Patch-II , tenure was due to be closed in July 2018. They may be extended till July 2019.

Again on 11.6.2018 agreement was signed with Swarnadevi Agency and the period was extended from 1.8.2018 to 31.7.2019 at Note Sheet Page 26 of the File. On 11.6.2018 agreement was signed with the Swarnadevi Agency to continue with same terms & Conditions from 1.8.2018 to 31.7.2019.(i.e@ old rate of 583390.00 p.m for the wards 1 to 3,5,9,13to 16)

Then clarification sought for on what was the Justification of refund of the APS even before completion of the 1st agreement though it was extended till further on the same sets of terms & Conditions.

In Compliance to the audit objection Memo. It was stated nothing.

It shows how carelessly the APS is being refunded. A sum of Rs Rs 2008240.00, is kept under objection till refund of the APS amount from the concerned Agencies, failing which, E.O-Pranakrushna Jena. may be held responsible.

15.48 - Irregularities noticed in Choudwar College Fund Expenses during 2018-19 - POM 130/10.12.2019

On verification of the different expenses on developmental activities of the Choudwar College Fund Expenses during 2018-19, It was found that 50 Lac was sanctioned from UGC vide Lt No-1249/CC Dt 12.08.2017 towards construction & completion of Women's Hostel of Choudwar College., which was placed at the disposal of the Choudwar Municipality for execution of the Project.

On 26.6.2018 vide Lt No 2467/26.6.2018 UCs worth Rs 3391895.00 pertaining to previous year developmental expenses was submitted to the proper quarters. Out of balance of Rs 1608105.00 UCs of Rs 1386294.00 (Relating to projects from SI 1 to 7 below) was submitted vide Lt No-4493/26.9.2018,leaving a further balance of Rs 221811.00 only. But It will be evident from the following table that in respect of projects at SI 8 & 9, a sum of Rs365010.00(193991.00+171019.00 =365010.00) was spent, thereby leading to excess expenses worth Rs 143199.00 beyond the sanctioned amount of Rs 50 Lac

Again It was asked for clarification to Audit as to why so many multiple projects were taken up by way of splitting the same and single Project in contravention to the principles as outlined in OPWD Code. The action Plan originally prepared against the sanctioned amount of Rs 50 Lac for construction & completion of Women Hostel of Choudwar College to be placed to Audit for necessary verification.

In almost all the below mentioned Case Records the photo copy of before, during and after execution of the Project as required as per terms and conditions of agreement were not enclosed for verification of the genuineness of the actual execution of the Project. All these aforementioned defects and deficiencies may please be clarified to Audit.

18.4 - Production of Electrical Goods Documents - Refer Para 14-5 of last AR

Examination of purchase file no.38/17 collection No.V.38/17 on procurement of electrical goods for maintenance of street lighting and other places, it is revealed that a total sum of Rs.32,61,123.00 has been spent out of the 4TH SFC grants and Own fund indicated against each purchase lot during the financial year 17-18, out of which delayed commencement of work of worth Rs 829747.00 as detailed below may be clarified to the current Audit.

| SI No | Voucher No/date | Details of Supplier | Amount |
|-------|---------------------|---------------------|-----------|
| 1 | Vr No.1091/27.11.17 | Sanskrut Entp | 515375.00 |
| 2 | Vr No.1391/3.3.18 | Sanskrut Entp | 314372.00 |
| | Total | | 829747.00 |

At the time of last exit conference the EO had stated that though the agreement had been signed in the month of August -17 the real work started in the month of last week of August 2018. Hence the procurement of Electrical goods was done through out the year 2017-18 and last procurement was made in the month of March 2018, keeping in view to the interest of the public.

However, no evidence could be produced against delay in commencement of the replacement by the M/s. EESL company. Further, no compensation has been claimed from the company for the liquidated damage caused due to delay in commencement of the work. In view of the reply of the E.O. the fresh agreement between the Municipal authority and EESL regarding delayed commencement of work may be produced before current audit for necessary verification.

In compliance to the POM-7/10.9.2019 raised on the score ,no compliance was furnished by the Local Authority. In verbal discussion with the E.O, Choudwar Municipality ,it was assured and the concerned dealing Assistant was directed to ensure for production of all the relevant documents for necessary verification by the Audit. 18.5 - Unjustified appointment of Line man Grade I &II and Electrical Helpers through outsourcing- Para 14-6 of last AR

Verification of file No.IV.Estt.49/17, regarding engagement of man power through service provider agency Kalinga Warriors, it was revealed that a total number of 39 nos of employees have been engaged by the Municipality in different post through the agency w.e.f 01.09.2017. Out of the above total 8 nos of employees have been posted as Electrician Gr-1, Gr-2, and Electrical helpers. In the above context it is to be mentioned that the new installation including day to day repair and maintenance of street lights in the Municipality area has been handed over to EESL on outsourcing basis as per the agreement executed between the EO, Choudwar Municipality and EESL company on dated 03.08.2017. Thus in view of outsourcing of Electrical Repair and Maintenance work, there was no justification in appointment of Electrical line man and helpers through the Kalinga Warrior Man Power Service Provider Cuttack. Therefore, the expenditure out of Municipal fund bears no accountability on such unnecessary appointments.

At the time of last exit conference the E.O. had stated that the real repair and maintenance work started after the execution of the agreement on 29.12.2018. However, no evidence was produced to audit regarding signing of agreement on 29.12.2018, which may be ensured before current Audit for necessary verification

In compliance to the POM-8/10.9.2019 ,no compliance was furnished by the local Authority. The matter is brought to the notice of higher authorities through a special report on it.

But as per the Council Resolution no.42/ dated.29.07.2017, the approval amount of expenditure was Rs.81900.00. Thus a sum of Rs 16740.00 was spent in excess over and above the authorized amount.

No reply was furnished by the local authority. The E.O was suggested to get the post-facto approval of the Council to regularize the excess expenditure and compliance reported. The ex post facto approval in this regard if any may kindly be shown to current. Audit for necessary verification.

In compliance to the POM-9/10.9.2019 ,no compliance was furnished by the local Authority.

18.7 - Non-Production of service tax clearance - Para 14-3 of last AR

On checking of paid vouchers in respect of payment of service tax to L&K services, Bhubaneswar, it was revealed that a total amount ofRs.11,26,596.00 to L&K services towards service tax against the payment to employees engaged through the service provider L&K Services during 2017-18. The Service tax clearance of the agency may be provided to audit for verification as there was no service tax registration number found in the body of the bill vouchers. The EO was suggested to produce the service tax clearance of L&K service Bhubaneswar before the next audit ,which may be produced for necessary verification.

18.9 - Utilization of surplus stock of S.K.Oil under NFSA - Para 18-1 of last AR

On verification of S.K.Oil central stock register, it was revealed that 14581 ltrs of S.K.Oil stock was received by the municipality towards quota for the month of 5/17 on 27.5.17. But before receipt of oil quota for 5/17, there was a stock balance of oil for a quantity of 3748.850 ltrs. Out of the stock quota meant for the month of 04/17. Therefore, it was asked through audit objection regarding how the surplus stock of 3748.85 ltrs was utilized to be stated to audit.

There was no necessity of distributing the arrear claim of S K Oil . Thus, the expenditure of Rs.70328.00(3748.850 @ 18.76) on procuring excess S K Oil for a quantity of 3748.850 lts and distributing the same as arrear to the beneficiaries was not justified and in view of absence of any administrative decision regarding distribution of arrear claim of S K Oil and hence the procurement cost of Rs.70328.00 is not justified, which was sought for clarification during current audit. But no

But from verification of accounts It was found that DEABAS has not been implemented in full fledged manner as on 31.3.2016.

Specific attention is drawn to Rule 67 of Odisha Municipal (Accounts) Rules 2012, cheque signing authorities and the Commissioner should ensure maintenance of all records as per requirements under DEABAS before signing and issue of cheques.

It has been categorically instructed that any payment /issue of cheques without resorting to DEABAS w.e.f 1.10.2013 shall attract disciplinary action against the officials concerned.

Lastly It has been directed in the said G.O that non implementation of the DEABAS in compliance to the Odisha Municipal (Accounts) Rules 2012 as stated above shall also attract withholding of grants in aids by the Govt to the defaulting ULBs.

The following important forms and registers as per OMAR 2012 were to be immediately maintained w.e.f October 2013;

| SI No | Governing Rules of OMAR 2012 | Forms/Registers |

| 19 | 71(1) | Register of Land |
| 20 | 71(1)(d) | Register of Public Lighting System |

But It is a very sorry state of affairs that the Choudwar Municipality, Choudwar has been completely failed in this direction for adoption of DEABAS as per OMAR-2012.

The matter needs a thorough relook so that a transparent accounting system as per OMAR-2012 is immediately enforced without further delay.

This mistake is found to be done at the Funding Agency level.

| SI No | Head of Account | Amount Due as per Audit | Amount available as per PL Account | Difference |
|-------|--|-------------------------|---------------------------------------|------------|
| 1 | ID-27,Maintenance of Capital Asset | 963272.00 | 532272.00 | -431000.00 |
| 2 | ID-48,Pension arrear & Basic Services | 9110168.00 | 9541168.00 | +431000.00 |

In Compliance to the audit objection Memo. It was stated that the Funds by mistakenly transferred by the H&UD Deptt in ID-48 instead of ID-27. So till now balance is rolling in ID-48. Municipality will take step to transfer the mentioned Fund amount of Rs 431000.00. An early action in this regard is needed to regularise the account.

The following recoveries were effected on the spot during the course of audit towards different audit objection paras. But the credit particulars of the same receipts could not be verified in audit due to non-production of `updated DCR, Cashier's Cash Book and Subsidiary Cash Book. Hence, the EO is advised to produce the required DCR and Cash Books before next audit for verification and till then the amount of Rs 3,37,279.00 is kept under objection.

PARA: 20 RESULT OF AUDIT AND CONCLUSION

20.1 - Remarks On Maintenace of Account

Maintenance of Accountant Cash Book:

The accountant cash book has not been maintained properly as pointed out below-

(i) The details of closing balance of Accountant's cash book i.e. Funds in PL account, in Bank, in shape of investment, in shape of advance & cash in hand should have been mentioned at the end of each day's transaction. But, the same has never been recorded throughout the year 2018-19. Opening Balance of the cash book is based on the Opening Balance of the bank pass books which is incorrect since this gives an enhanced OB for the cash book due to the un encashed cheques of the previous year.

- (ii) In some cases, amount received through cheques/BDS are directly credited in Bank A/Cs without being reflected in cash book.
- (iii) Advance position has not been reflected in the cash book.
- (iv) Bank position as per cash book has not been worked out and bank reconciliation on monthly basis and at the end of the year has not be been done.
- (v) Cash Analysis also needs to be done.
- (vi) In a few cases, proper head of A/C (Name of the scheme with year of grants) has not been shown against the vouchers .
- (vii) Multiple Bank A/Cs against a single scheme have been operated in this Municipality.
- (viii)Some Dormant Bank/Postal A/Cs have been rolling since long and in a few cases non-operation charges have been deducted by Bank.
- (ix) A huge amount in respect of Royalty, L. Cess, VAT, I.Tax, Service Tax etc has not been deposited in proper head of A/Cs.
- (x) No adequate monitoring, periodical inspection, supervision have been made to safeguard the leakage in assessment & collection of Municipal Revenue in respect of different Taxes, Rent, Fees & Fines etc.
- (xi) Non-revision of Annual value of holdings resulting Loss of Municipal Revenue.
- (xii) Non-imposition of penalty for delay in completion of work as per agreement.
- (xiii) Non-conduct of supervision (by the Control & Testing Laboratory) on the quality of materials Maintenance of abstract Register of Receipts and Expenditures:

The abstract register of receipts and expenditures has not been maintained properly by the local authority. Though month-wise abstract has been worked out, due to non-maintenance of head-wise entries of individual transaction of receipts and expenditures as per budgetary heads, it was not possible on the part of the audit to check their correctness while arriving at the receipt and expenditure position of the municipality. Grant register should be maintained properly by the local authority on priority basis. Even though audit could find out the receipt position of grants on the basis of the BD register and grant files, the expenditures of grant money get mixed with expenditures from municipal fund and it is difficult to reach at the exact position of grants. Further diversion of funds is not clearly visible to audit as well as the local authority. Recommendations -: A properly maintained grant register is urgently required to make the grant position correct and transparent. The DDO should maintain a register for reconciliation of receipts and disbursement of scheme funds as per Lr No 15847/F/27.4.13 of finance department. Double Entry Book keeping System has not been followed in the municipality as is revealed from the records and registers relating to 2017-18. Loss of stock & store of sale centers is a regular happening at Choudwar Municipality. In spite of that the local authority vest the charge of the sale center at the same hand. There is huge pendency of UCs to be submitted. The local authority is advised to look into the matter. Time barred register relating to holding tax etc should be maintained by the local authority. Grievance redressal system to be online so that citizen can assess the status of his grievance. In view of the audit observations narrated above, the state of maintenance of accounts of Choudwar Municipality during the financial year 2018-19 may not be rated as satisfactory. Needless to mention that irregular, improper as well as haphazard maintenance of accounts will provide ample scope for occurrence of fraud & error. However, special attention of municipal authorities is invited to look into the matter seriously and help improved the state by taking the appropriate remedial measures

As a result of this Audit transactions involving a sum of Rs 37299011.00 are held under objection which include an amount of Rs 12909688.00 suggested for recovery. Besides, a sum of Rs 337279 was recovered at the instance of audit. The details are furnished in the following tables.
